**EB Docket 06-36**

Annual 64.2009(e) CPNI Certification for 2010

Date filed: March 1, 2011

Name of company covered by this certification: Glentel Corp.

Name of signatory: Jas Boparai

Title of signatory: Chief Financial Officer

I, Jas Boparai, certify that I am an officer of the company named above, and acting as an agent of the company, that I have personal knowledge that the company has established operating procedures that are adequate to ensure compliance with the Commission's CPNI rules. *See 47 C.F.R. § 64.2001 et seq.*

Attached to this certification is an accompanying statement explaining how the company's procedures ensure that the company is in compliance with the requirements set forth in section 64.2001 *et seq.* of the Commission's rules.

The company has not taken any actions (proceedings instituted or petitions filed by a company at either state commissions, the court system, or at the Commission against data brokers) against data brokers in the past year.

The company has not received any customer complaints in the past year concerning the unauthorized release of CPNI.

Signed            /s/ Jas Boparai

## **ANNUAL CPNI COMPLIANCE STATEMENT AS REQUIRED BY SECTION 64.2009(e) OF THE FCC'S RULES**

The following statement explains how operating procedures followed by Glentel Corp. ("Glentel") ensure that it complies with the Customer Proprietary Network Information ("CPNI") rules established by the Federal Communications Commission (*i.e.*, 47 C.F.R., Part 64, Subpart U).

To the extent Glentel has access to CPNI as defined by Section 222(h)(1) of the Communications Act,<sup>1</sup> it does not use CPNI for marketing or any other purpose prohibited or otherwise limited by the Commission's CPNI rules.

Glentel does not have a United States sales force. Glentel does market to United States customers through a single distributor that acts as an agent of Glentel; this distributor is subject to a confidentiality clause prohibiting disclosure of confidential information, including CPNI, without prior written consent from Glentel. Glentel does not disclose CPNI to such distributors except in accordance with Section 64.2005(a) of the Commission's rules. Glentel employees are informed of the appropriate use of CPNI, and are prohibited from releasing CPNI to any party other than the distributor who operates under a confidentiality agreement as described above. Employees who do not follow the above procedures are subject to disciplinary action.

Because Glentel does not use CPNI and does not engage in any marketing activities in the United States, it does not presently (1) have in place a system by which the status of a customer's CPNI approval can be clearly established (no approval is sought because the CPNI is not used), (2) maintain a record of its sales and marketing campaigns that use its customers' CPNI (there are no such campaigns), and (3) have in place a supervisory review process with respect to outbound marketing situations (there is no outbound marketing). However, Glentel stands ready to comply with these provisions of the Commission's CPNI rules should it begin using CPNI for marketing or other purposes not permitted by the rules.
